Victoria School's Golden Thread

At Victoria C of E Nursery and Infant School, our vision, values and chosen parable are woven together through everything we do. These key messages guide our curriculum, worship and daily practice.
They are all based on our key vision 'Do everything in love' 1 Corinthians 16:14

Vision

- Flourish in learning and love.
- We believe that every child is made in God's image and has God-given potential to flourish.
- Our vision places love, character and flourishing at the centre of education, not simply academic achievement.

The Mustard Seed Parable

- Small beginnings can lead to significant growth.
- Every child has potential that can flourish when nurtured.
- Growth takes time and requires care, patience and support.
- The mature tree offers shelter and belonging, reflecting our aspiration to build a community where everyone is valued and can flourish.

Values

- Kindness - develops empathy, service and care for others.
- Respect - helps children appreciate and value every person.
- Resilience - supports perseverance, challenge and growth.
- Thankfulness - encourages gratitude and humility.

Through love, kindness, respect, resilience and thankfulness, we nurture every child to flourish academically, socially, emotionally and spiritually. Our spirituality, curriculum, worship, pastoral care and wider opportunities are all deliberately interconnected, enabling children and adults to grow, serve others and make a positive difference in the world.
